Overview:
Shenandoah is an active adult community made up of 942 acres nestled on the foothills of the Blue Ridge Mountains, midway between Front Royal and Winchester, Virginia. In addition to the 120-acre Lake Frederick, the community has a Clubhouse Village with a social club, fitness club, and a full-time Activities Director. Winchester Homes offers their signature Your Home. Your Way.™ customization program in this lakeside community. The homes feature single-level living with universal design elements and distinctive architectural detailing.
